PROJECT DETAILS

Title and brief description of project ·

Commencement date* [/ /]   Completion date* [/ /]

All applicants must submit:
* A concise one-page project description of the activity to be undertaken with the grant
* A more thorough artistic statement
* Short biographical information on all artists and creative personnel involved in the project
* Letters of support and confirmation of activities associated with the project
* A project timeline
* You may also include any additional documentation you consider important such as: programs, media
  clippings, reviews etc.

AMOUNT REQUESTED FROM PURE ART FOUNDATION

[$]

Budget

You must submit a balanced income and expenditure budget clearly indicating the budget items for which
PURE ART FUNDATION is being sought. Provide breakdowns of all costs within budget notes. If you are applying
to the PURE ART FOUNDATION for your project please identify within your budget the amount being requested,
the fund(s) you are applying to and the closing date(s) of the fund(s).

Support material

Support material relates to: DVDs, CD Roms, CDs, slides, videos, catalogues, printed books, booklets, etc and
only one set is required. However, if you are able to submit more than one copy, you may do so. Where
possible applicants are requested to submit digital versions of their visual support material.
Letters of support, references, bios, CVs, media clippings, etc. are not considered support material, rather
they are essential items for your application, and therefore should be included within the body of your
application in the project proposal section.
You should not send original material, provide duplicates only, and ensure that all your support material is
clearly labelled with your name and the project title. Support material will not be accepted after the closing
date.

Application
Application is open every year from September to the end of December.
